Financial and Operational Highlights

- **Impressive growth in revenues for FY2021 was driven both by higher volumes and pricing**, with Edita capitalizing on its optimized and diversified product portfolio and growing consumer demand for its products.
- **Volumes for FY2021 continued to exceed pre-COVID-19 levels and reached pre-devaluation levels**, exhibiting Edita's ability to drive demand at higher price-points and deliver growth despite a challenging operating environment.
- **Gross profit increased by 20.0% year-on-year in FY2021**, with the Company protecting its gross profit margin with higher MOH efficiencies and portfolio optimization despite surges in raw material costs and record-high global commodity prices.
- **EBITDA was up 28.6% with a stable margin at 16.0% for FY2021**, reflecting double-digit top-line growth and an improved SG&A to sales ratio.
- **The Company's bottom line expanded by a significant 56.5% y-o-y in FY2021** on the back of strong revenue growth driven by increases in volumes and average prices across segments.
- **Strong performances in the cakes, bakery, and wafers segments.** Cakes and bakery were the largest contributing segments to revenues with 31.3% y-o-y and 28.0% y-o-y growth, respectively. Wafers was the fastest-growing segment for the year with an 81.6% y-o-y expansion in top line.
- **Edita commenced operations in Morocco in 4Q2021** with the launch of three SKUs of the flagship HOHOs brand.
